

EVENT

WORKPLACE VISUALITY

A flagship event by Gwendolyn D. Galsworth

Wednesday the **9th of April 2025**

Organised by **Visual Workplace_Wijchen (NL)**

The Visual Workplace and Visual Thinking seminar is Gwendolyn Galsworth's flagship event. She designed it specifically for companies interested in learning how to strengthen their journey to operational excellence through workplace visuality.

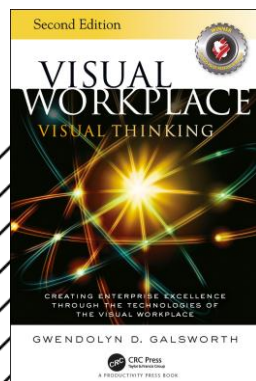

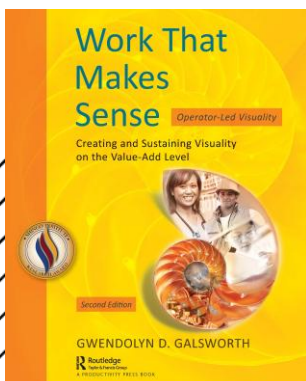

What you will gain?

Based on her **Shingo** award-winning books, this 7-hour session is geared to help you:

- Better understand the current level of **visual effectiveness** in your company
- Understand the **concepts, principles, and practices of the Visual Workplace**—as developed and codified by Dr. Galsworth—and how these support individual, team, and company outcomes
- Learn not less than three practical **take-away tools** and in the process as you consider **visual solutions** from workplaces in the USA and around the world

Conversation TOPICS

- Visuality as a Language
- Visuality and Brain Function
- The Visual Workplace vs. Visual Management
- I-driven/Heart of the Visual Conversion Process
- Results: Financial & Cultural
- The 10-Doorway Model
